REBECCA HAWKINS PROJECT

Joplin Area Classic Rock & Country Band

Rebecca Hawkins Project

Rebecca Hawkins Project plays your favorite Classic Rock and Country songs. The sound is a cross between Bonnie Raitt, The Judds & Carol King, and gets the audience movin' and singin' to the music. RHP will captivate and entertain the audience. It's a fun time for all! RHP roots are from California where Rebecca played at many venues, most notable were the Whiskey A Go Go, The Coach House, and the Orange County Pavillion. Now after relocating to the 4 states area, RHP plays many venues in the area.
